EDUCATION

Bachelor of Science in Computer Science and Engineering *Mar. 2022 – Running*
Chittagong University of Engineering and Technology
Current CGPA: 3.84 (Credit Hour: 141.5 out of 159.75)

Higher Secondary Certificate (HSC) *2018 – 2020*
Govt Hazi Mohammad Mohsin College, GPA: 5.00

Secondary School Certificate (SSC) *2012 – 2018*
Halishahar Cantonment Public School and College, GPA: 5.00

PROJECTS

BreatheEasy *2026* [\[Live Demo\]](#)
Technologies: WebGL, JavaScript, Bootstrap
Interactive stress management app featuring WebGL-powered breathing exercises and mini-games designed for real-time mental relaxation and relief.

Airmax Website *2025* [\[Live Demo\]](#)
Technologies: React, Tailwind CSS
Built a responsive business website with product search, client listing, Google Maps integration, and FAQ support.

Chandler Bing Style Generative AI Chatbot *2025* [\[View Post\]](#)
Technologies: LangChain, Ollama, Mistral, Streamlit, Python
Locally running chatbot with few-shot prompting, conversation memory and a Streamlit interface.

TECHNICAL SKILLS

Programming Languages: Python, C/C++, HTML, CSS, SQL, JavaScript
Frameworks & Technologies: React.js, Node.js, LangChain, Transformers
Databases: MongoDB
AI/ML: Generative AI, Large Language Models (LLM), Deep Learning
Languages: Bengali, English

RESEARCH INTERESTS

Machine Learning, Deep Learning, Large Language Models (LLM), Computer Vision, Natural Language Processing, Multimodal AI Systems.

CERTIFICATIONS & PRESENTATIONS

Apr. 2026	Certificate of Presentation – QPAIN 2026 – IEEE, CUET	[Credential]
Feb. 2025	Machine Learning Specialization – Stanford University · Coursera	[Credential]
Feb. 2025	Advanced Learning Algorithms – DeepLearning.AI, Stanford University · Coursera	[Credential]
Feb. 2025	Supervised Machine Learning: Regression and Classification – DeepLearning.AI, Stanford · Coursera	[Credential]
Jan. 2026	Introduction to LLMs in Python – DataCamp	[Credential]

ACHIEVEMENTS

Research Competitions

- **3rd Place** – ImageEval 2025 Arabic Image Captioning Shared Task
- **3rd Place** – Detecting Racial Hoaxes in Code-Mixed Hindi-English Social Media Data: LT-EDI@LDK 2025
- **5th Place** – Shared Task on Multimodal Hate, Humor, and Stance Detection in Marginalized Movement@CASE2025
